KEYINVEST

Retirement Living

Your future, your lifestyle

The Key to a happy retirement can be found at a KeyInvest village. Over the years hundreds of South Australians have chosen to call a KeyInvest village home. **Call us or visit a village to find out why.**

New and established villas and apartments in beautiful locations near the city, the southern beaches or in the Adelaide hills. All villages are located close to shops, transport, health providers, social, sporting, community groups and more.

Peace of mind for you and your family as we take care of the maintenance of your home, the front gardens and common areas, so you enjoy time with family and friends. We've also given great consideration to providing homes designed specifically for retirees, complete with optional personal medical emergency call systems. Just move in and enjoy!

Great communal facilities* are available for you to meet with other residents* or visitors and enjoy social activities; perhaps a game of billiards or cards, or enjoy a book in the company of others. You could even make an appointment to get your hair done or see a visiting health professional.

A genuine and successful relationship between KeyInvest and our residents is what we aim for. We provide all information to you in plain English, and take great pride in providing stylish, unpretentious surroundings that don't cost the earth. We're owned by our Members, not shareholders, so our focus is on people rather than profits.

KeyInvest has been providing retirement living since 1985 and as a member of the Retirement Village Association Ltd, we are committed to providing quality and service second to none.

For more information, complete the attached "Reply Paid" form, visit our website, one of our villages, or call us on **1300 658 904**.
