

Life's key investments

KeyInvest is a Financial Services and Retirement Living organisation founded on a long and proud history of caring for the welfare of our members.

Our origins date back to 1878 as the Independent Order of Odd Fellows or IOOFSA, and we remain a member based Friendly Society providing a range of financial and investment services to help our customers achieve their goals.

Now, as KeyInvest, we continue this tradition with a focus on "Life's key investments", helping our customers access home finance, saving for their children's education or home or enjoying their retirement lifestyle.
